# Introduction

## Our Vision

We hope for a world where every human being has access to all basic life necessities to live with dignity and security.

## Who We Are

Hands for Charity is a relief and development organization with a huge world vision. We want to build better societies, and with your help, we can permanently end the cycles of need and poverty. Therefore, we strive to make a big difference from minor changes.

**82 projects**

**200,000 people**

## Our Mission

We are committed to working hard to assist people in need and ensure they have the minimum living requirements, including: clean water, education, food, shelter, and healthcare.

# Our Core Values

- **INTEGRITY**

To conduct all activities with honesty and sincerity, maintaining the highest levels of ethical standards in all operations.

- **STEWARDSHIP**

Managing resources effectively in a way that promotes overall community good, recognizing the importance of sustainability and responsible decision-making of sustainability and responsible decision-making.

- **COMPASSION**

Tender, compassionate service towards the communities we serve, paying special attention to those who are most vulnerable or disadvantaged.

- **COOPERATION**

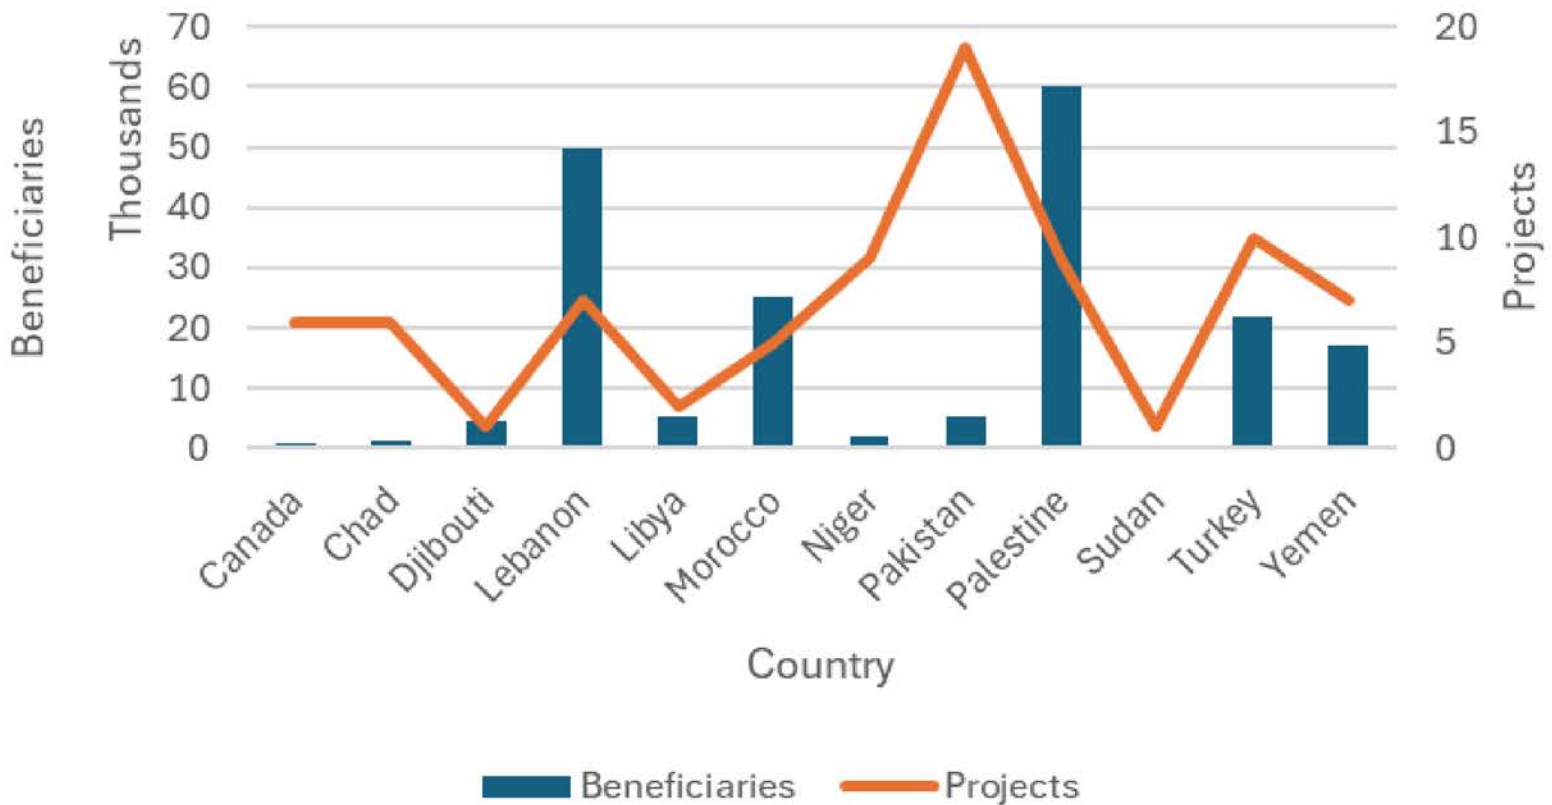

Collaborating and working effectively with local communities, other nonprofit organizations and all relevant stakeholders.

- **INCLUSIVITY**

Including all members of the community in the organization's activities, regardless of their differences, thus ensuring that no individual is left out.
